Tansi,

As a father of two and grandfather of one, I am passionate about family and generational growth.

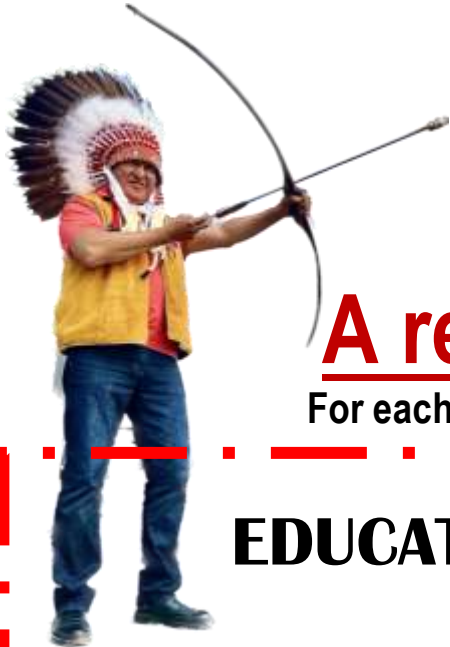

As your leader, I will continue to advocate for better services for the citizens of our incredible Nation.

Priorities include:

- ✓ Housing opportunities for on and off reserve members
- ✓ Healing Lodge at Egg Lake
- ✓ Elders & Youth Cultural Centre
- ✓ Developing our own Bill C-92 laws
- ✓ Strong governance system
- ✓ Financial accountability
- ✓ Moving forward with community's 20-year plan

I believe that in order to succeed as a community, we need to be inclusive of all families.
